Porvorim, 26th August, 2014.

Department of Town & Country Planning

Order

44/HC/TCP/307/2013/(1498227)/14/3657

Whereas the State Government has come across large number of cases wherein permission for construction of buildings and development permissions have been granted on a proposed/imaginary/non-existent road. This not only has led to inconvenience to public but is also hampering the developments from planning point of view.

In view of this, directions are hereby issued under section 132 of the Goa Town & Country Planning Act, 1974 to all the authorities not to grant any permissions, and not to issue any license for construction or grant any permission for any property development unless there exists a road connecting the plot proposed for development, as is required in terms of Building Construction Regulations. Unless the requisite road infrastructure connecting the plot on which development is proposed is physically available at site, no permission be granted.

The above guidelines shall be strictly complied with. This is issued with the approval of the competent authority.

By order and in the name of the Governor
of Goa.

Parimal Rai, Principal Secretary (TCP).
